**TORONTO, ON.** – April 17, 2002. Frontier Adventure Racing Inc., Canada's premiere adventure racing company and Salomon Canada are pleased to announce that Apex Mountain Resort will host the Salomon Adventure Challenge. Scheduled for Saturday, June 15, this five to eight hour adventure race, will take teams of three through a 40+ km unmarked course of trekking, mountain biking and paddling.

"We are very excited to be bringing the Salomon Adventure Challenge Series out west again this year," said Pete Cameron, Salomon Adventure Challenge Series Manager. "In the last few years we have seen adventure racing grow in popularity, with more and more people looking to get into the sport. This series of races was designed for those people who are looking for that introduction into adventure racing, as well as those who are looking for some training experience before entering a longer race."

The Salomon Adventure Challenge Series was introduced last year as a fun, yet challenging way to enjoy adventure racing. The races are open to anyone 16 years of age or older and each team must consist of three athletes. Cost per team is \$300 CDN. ### **About Frontier Adventure Racing Inc.**

Adventure racing is a new sport that has exploded in popularity across North America. Frontier Adventure Racing Inc. is leading that growth in Canada with its incredibly popular Raid the North series. Now in its fourth year of operation, Frontier Adventure Racing has established an international reputation for solid logistics and challenging racecourses. These non-stop races, ranging in length from 36-hours to six-days, require coed teams of four to trek, mountain bike, canoe and negotiate fixed ropes, while navigating the unmarked racecourse through the wilderness. The exact course is kept secret until the night before the race and, even then, teams are only given topographical maps and grid coordinates for the checkpoints they must reach in order. Likened to an expedition with a stopwatch, adventure racing requires teamwork, perseverance and strong navigation and wilderness survival skills.
